BANDY RANCH

Our beef is available as:

	(dressed weight)
Whole Beef:	(700-900 lbs)
Half Beef:	(350-450lbs)
Quarter Beef:	(175-225 lbs)

Fall delivery 2026 prices:

Whole Beef:	\$6.60 per lb
Half Beef:	\$6.65 per lb
Quarter Beef:	\$6.85 per lb

Prices include processing fees. A half or more qualifies for custom processing. Due to moisture lost during aging and trimming during processing, the cut and wrapped weight is approximately 70% of the dressed weight.

Grass fed beef is best to be purchased in the fall season straight off of mountain grasses.
